

## DESIGNS - PATENTS

**MIRKO  
BERGADANO**

*bergadano@studiotorta.it*

📍 Turin - Milan

He joined the firm in 1995 and became a partner in 2001.

He has experience in inventions in many sectors: micro and nanotechnology, semiconductor and molecular memory devices, computers, microprocessors, computer controlled systems, terrestrial and satellite telecommunications, aerospace electronics, GNSS technology, electronic warfare, aerial and satellite remote sensing, mechatronics, image processing systems, Human-Machine Interfaces (HMIs), Graphical User Interfaces (GUIs), automotive electronics and vending machines, fast moving technology sectors including artificial intelligence, internet-based and software-related technologies, automatic speech recognition, whole-body motion controls for articulated robots, autonomous driving, augmented reality, and quantum photonics.

He is experienced in infringement and patent invalidity court proceedings before national courts, as well as in providing Freedom-To-Operate (FTO) and infringement analysis and design-around advices and strategies. He is also experienced in Standard Essential Patent (SEP) litigations, where he was part of multinational and multidisciplinary teams that assisted multinational automotive manufacturers against world's largest telecommunications companies in the field of 3G/4G and Wi-Fi technologies.

Court expert in the Industrial Property Section of the Court of Turin.

**TRAINING**

Master's Degree in Electronic Engineering (Politecnico di Torino) | Diploma on Patent litigation in Europe (CEIPI, Université de Strasbourg)

**SERVICES**

DESIGNS | PATENTS

**INDUSTRIES**

Electric Engineering | Furniture & Lighting | Mechatronics / Automation | Medical devices | Software / IT | Telecommunications

**QUALIFICATIONS**

European and Italian Patent Attorney | European and Italian Trademark Attorney | European and Italian Design Attorney | Attorney before the Unified Patent Court

**LANGUAGES**

Italian (native language) | English | French | Spanish
