**MATTEO  
PARMEGGIANI**

[parmeggiani@studiotorta.it](mailto:parmeggiani@studiotorta.it)

He joined the Firm in 2024 after several years of experience as a researcher in the field of electronic biosensors at Politecnico di Torino.

During his doctoral studies, he specialized in the microfabrication and characterization of electronic devices based on organic semiconductors, conducting a research period at Delft University of Technology (Netherlands).

## TRAINING

Bachelor Degree in Physical Engineering (Politecnico di Torino) | Master Degree in Nanotechnologies for ICTs (Politecnico di Torino) | PhD in Physics (Politecnico di Torino)

## SERVICES

PATENTS

## INDUSTRIES

Electric Engineering | Software / IT | Telecommunications

## LANGUAGE

Italian (native language) | English
